

Make a positive change

Atos Healthcare is the UK's leading provider of occupational health services to both private & public sector organisations. Due to continued business growth we are looking for additional high calibre clinicians to join our team.

Occupational Therapists – London and South of England **Permanent, full & part-time (37 hours per week)** **Competitive salary + flexible benefits**

Working across a range of contracts, you'll provide services in functional assessments, vocational rehabilitation advice, training and organisational consultancy. You will cover a sizeable geographical area, therefore flexibility towards working hours and travel are essential.

Being a HPC registered Occupational Therapist with the Health Professions Council, you'll have in-depth experience at Senior 1 level in adult rehabilitation. Self-motivation, a can-do attitude and sound instincts will be paramount to this role, ideally gained within a commercial environment.

In return, we offer a highly competitive salary plus a host of generous benefits including employee private medical scheme, structured bonus package, car, generous holiday entitlement and contributory stakeholder pension scheme.

To apply, please visit atoshealthcare.com/careers quoting ref: 113161. For more information contact Iva Peterikova in the recruitment team, on 07805 910 522. For an informal discussion about the role please contact Santu Bhudia, Specialist Services Manager, on 07733 313 075.

Atos Healthcare is a leading provider of primary care, occupational health, employee assistance programmes and capability assessment services. We make a positive difference to the health and wellbeing of some of the UK's largest organisations, delivering services that benefit over two million people each year.
