

Shaw Trust is an employment specialist, providing practical vocational rehabilitation services. With 45 Employment Offices and 181 Employment Advisers, our teams combine nationwide coverage with local knowledge, building strong employer relationships in order to provide our clients with resources and employment opportunities.

## Specialist Advisers

**£24,638 - £33,488 per annum**      **Various locations**

Due to an expanding business, Shaw Trust is now looking to recruit a number of accomplished multi-disciplinary Specialist Advisers who have expertise of working with Condition Management, Vocational Rehabilitation or related professional background, to join the Health and Wellbeing Team during this exciting phase of growth.

This role will involve clinical day-to-day responsibility and decision making; professional accountability, not only for managing complex cases but also in the development of relationships with allied professionals, including local health and third sector support networks. This is a unique opportunity to join a developing business, where you can be involved in integrating local health and social provision.

The available roles will be based in either Beds & Herts, Norfolk or Thames Valley.

As an Investor in People and Guardian Top 100 Employer, the Trust offers excellent benefits and development opportunities.

**For more information and to download an application form, please visit our website [www.shaw-trust.org.uk](http://www.shaw-trust.org.uk) Reference numbers: Beds & Herts V1940, Norfolk V2054, Thames Valley V2055.**

We cannot accept CVs but are happy to provide our application forms in alternative formats. Shaw Trust is committed to Safeguarding.

The successful applicants may be required to undertake an enhanced criminal records disclosure.
